**MEMORANDUM**

To: CENS Curriculum Committee  
From: Paul Gremillion, Civil & Environmental Engineering  
Date: November 9, 2005  
Re: **PROPOSED COURSE AND PLAN CHANGES**

Attached are our proposed plan and course changes to be considered at the 11/21/2005 College Curriculum Committee meeting. The changes are summarized below. Please contact me if you have any comments or would like clarification on any items prior to the meeting.

<b>Document</b>	<b>Change</b>
EGR 225 Course Change	Rename EGR 225 to CENE 225 to reflect teaching responsibilities
CENE 380 Course Deletion	Delete course replaced by ME 395
CENE 410 Course Change	Rename course title to better reflect course content
CENE 480 Course Change	Rename course title to reflect deletion of CENE 380
CENE 486C Course Change	Change from 1-3 units to 3 units only
CENE Prerequisite Changes	Update all requisite courses to date
CE Plan Change	Edits to reflect above changes and additional language to respond to accreditation board requirements.
ENE Plan Change	Edits to reflect above changes and additional language to respond to accreditation board requirements.
ENE Minor Plan Change	Edits to reflect above changes and additional language to respond to accreditation board requirements.
