

David M. Ostergren, PhD.
Director, MA Environmental Education
Merry Lea Environmental Learning Center, Goshen College
Box 263, Wolf Lake, IN 46796
(260) 799-5869, daveo@goshen.edu

EDUCATION

Ph.D. Forest Resources Science; Recreation, Parks and Tourism Resources,
West Virginia University, 1997.
M.A. Political Science; Policy Analysis, West Virginia University, 1997.
M.Ed. Outdoor Education, Emphasis in Special Education. University of Minnesota, 1992.
B.S. Biology; Chemistry Minor, University of Minnesota, 1982.
Teaching License—Secondary Education Science. Minnesota, 1992.

CURRENT STATUS

Director and Professor, Environmental Education Graduate Program. Goshen College, Merry Lea Environmental Learning Center (2008-current). Responsible for the administration and development of the environmental education graduate program, assist the executive director in administration and budget, co-instruct two graduate courses per year.

Adjunct Faculty, Northern Arizona University, Center for Environmental Sciences and Education. Facilitate graduate student research, secure and administer research grants in the American west.

Adjunct Faculty, University of Idaho, Conservation Social Sciences. Facilitate projects in Russia through the Consortium of International Protected Area Management.

EMPLOYMENT HISTORY

Associate Professor, Center for Environmental Sciences and Education, and the School of Forestry (joint appointment). Northern Arizona University (1999-2008). Teaching responsibilities include Natural Resources Policy, Energy Resources and Policy, Introductory Environmental Science, and Graduate Seminars. My research agenda is land management policy with two areas of specialization: wilderness and fire policy in the U.S.A., and protected area policy in the Russian Federation. Other duties include; advising graduate and undergraduate students, and university, college and departmental service.

Director, Colorado Plateau Cooperative Ecosystem Study Unit (CPCESU) --- 2006-2008. Facilitate projects between federal, tribal, and research partners; develop, communicate and coordinate strategic mission; and promote CPCESU to existing and potential partners.

Assistant/Associate Professor--Department of Political Science, Center for Environmental Sciences and Education (joint appointment) 1999-2004. Northern Arizona University. Teaching responsibilities included Environmental Politics & Policy, Energy Resources and Policy, Public Policy, Perspectives on Environmental Science, University Colloquium. Research agenda on national and international land management policy. Graduate Coordinator in Political

Science (2003-04). Undergraduate Internship Coordinator in Environmental Sciences. Other duties include; advising and service.

Co-Director—Verde Watershed Research and Education Program. 2000-2005. Responsible for coordinating NAU graduate and undergraduate research within the Verde River watershed. Maintain liaison with interest groups. Facilitate annual conference or field school on challenges and issues in the Verde River watershed.

Visiting Assistant Professor--Recreation, Parks and Tourism Resources; 1997-1999, Division of Forestry, West Virginia University, Morgantown. Teaching responsibilities included: Recreation Program Planning, Leadership, Administration and Policy, Graduate Seminar. In the Department of Political Science, Environmental Policy. Additional duties included advising, instructing a 28 day course on ecotourism and protected area management in the Peruvian Andes, and developing a research agenda on national and international protected area policy. Administrative duties included the development and implementation of a division wide, summer course program that expanded academic services into the summer and offered alternative educational experiences for 125-150 students per year--operating budget--\$250,000.

Visiting Instructor--Parks, Resource Recreation and Tourism; 1996-1997, Division of Forestry, West Virginia University, Morgantown. Responsibilities included teaching nine credit hours per semester in Recreation and Parks core curriculum and advising. Instructed 10 day, field based courses on wilderness management in West Virginia, and a 26 day field course on park and wildlife management in Malaysia and Borneo.

Forest Policy Consultant in Siberia, Russia; 1995, Pacific Environment and Resource Center, Sausalito, CA and Predivinsk Lespromkhoz, Central Siberia. Collected forest inventory data with the aim of restructuring a timber processing community to sustainable forestry.

Director--Outdoor Program Center; 1990-93, Bemidji State University, Bemidji, Minnesota. Coordinated annual budget (\$150,000); trained and supervised 21 employees in areas of trip organization, marketing, waterfront, equipment rental and skills development serving about 4,000 participants per year. Coordinated cooperative campground management program with US Forest Service. Skill areas include wilderness travel, rock climbing, winter travel, canoeing.

Teacher-Special Education, Duluth School District ISD #709 Duluth, MN 1990. Taught all subjects to eight students with grade level abilities from 6-11, in a residential school setting.

Director--Outdoor Program; 1987-90, University of Minnesota, Duluth. Coordinated overall program budget (\$250,000); supervised 35 employees in areas including equipment rental, skills development and teaching natural history. Program emphasis was educational with approximately 7,000 participants per year. Supervised climbing, canoeing and backpacking trips to various wilderness areas of the United States. Advised student organizations.

Instructor--Undergraduate Classes; 1987-90, University of Minnesota, Duluth. Taught classes in Recreation and Leisure Leadership, Cross Country Skiing and Wilderness Philosophy.

Instructor– 1985 Hurricane Island Outward Bound School Florida STEP program for adjudicated youth.

Program Coordinator and Camp Counselor–1982-1986. Camp Buckskin. Ely, Minnesota. Worked summers with young people ages 7-17 who had learning disabilities, and/or emotional and behavioral difficulties in outdoor setting with the goal to improve learning and social skills.

Child care worker and dairy farmer–1979-1980. Kibbutz Ramat Hashofet Israel.

FELLOWSHIPS

1999 National Research Council. Fellowship. Governance in post-Communist Countries. Research conducted in Russia, March 2000. *Participation in policy making by conservation scientists in post-Soviet era.* \$4000.

1993- Arlen G. and Louise Stone Swiger Fellowship. A university wide competitive fellowship
1996 that is awarded for past academic performance and the merit of the doctoral program. West Virginia University. Tuition waiver, \$12,000 annual stipend; \$36,000 total.

1994 National Security Education Program Fellowship, Travel support for dissertation research and language acquisition. \$8,000/year 1994 and 1995; \$16,000 total.

FUNDING THROUGH GRANTS and CONTRACTS

2008 US Bureau of Reclamation. Ostergren, D. M. and A. Henn. The cumulative effects of riparian restoration in the San Juan River basin. \$44,728.

2007 US National Park Service. Ostergren, D. M. Watershed Restoration on the Colorado Plateau: a review and summary of projects across federal, tribal and state agencies. \$10,000.

2007 US Bureau of Reclamation. Ostergren D. M. Scope of Study for Multi-Agency Collaborative Riparian Research, Restoration and Monitoring Project on the Colorado Plateau. \$10,000.

2007 US National Park Service, Hiebert, R. and Ostergren D.M. Administrative Support for CPCESU and NPS Service Research Coordinator. \$16,714.

2007 US Bureau of Land Management & USDA Forest Service, (in cooperation with the UN Development Program). Ostergren, D. M. Visitor survey to assess international and Russian visitor behaviors and expectations in four protected areas in Kamchatka Region Russian Federation. \$30,000.

2007 USDA Forest Service International Programs and the Consortium for International Protected Area Management (CIPAM). Ostergren D.M. & S. J. Hollenhorst. Developing institutional capacity in Russian protected natural areas at multiple levels. \$38,400.

- 2008 Edmund S. Muskie Freedom Support Act Graduate Student Fellowship. Host institution
- and advisor for graduate students from the former Soviet Union. Seven awards
2001 of approximately \$20,000/year/student for academic and internship expenses.
- 2006 USDA Forest Service International Programs and the Consortium for International
Protected Area Management (CIPAM). Ostergren D.M. & S. J. Hollenhorst.
Development of a protected area training program for Kamchatka, leading to a Siberia-
wide academic and vocational level programs. \$25,000.
- 2006 Mission Research Proposal NAU School of Forestry. Ostergren, D.M. Fire Restoration
in Northern Arizonan Wilderness: consensus and division in policy preferences. \$36,416
2006-08.
- 2005 Salt River Project (SRP). Ostergren, D. M. Watershed and terrestrial sensitivity on the
Prescott National Forest. \$800
- 2005 Ecological Restoration Institute. The law, practices and politics of conducting forest
restoration on Wilderness Areas (WAs) and National Park Service (NPS) lands in
Northern Arizona. Sabbatical and summer support 6/2005-7/2006. \$64, 012.
- 2005 National Park Service, Petrified Forest NP. Ostergren D.M. Continuation of: Facilitate
two memoranda of agreement for inadvertent discovery of human remains between
Petrified Forest National Park and affiliated tribes. \$5,000.
- 2005 Bureau of Reclamation 2005. Schlinger, C. & D.M. Ostergren. Support for decision
makers field school in July 2005. \$7,000.
- 2005 E-Learning Mini-Grant. Group Center for Research, Assessment, and Development of
Learning in Electronic Environments. Title: Engaging students through problem-oriented,
inquiry-based field research and enhanced technology in introductory environmental
sciences laboratories. D. Anderson, M. Ort, D. Ostergren, T. Joyal, M. Manone, & C.
Haden (CSTL) \$22,500.
- 2004 Salt River Project (SRP). Schlinger, C. & D.M. Ostergren. This award was a gift to NAU
to supply funding for five years to support the Watershed Research and Education
Program. \$150,000.
- 2004 National Park Service, Flagstaff Area National Monuments. Ostergren D. M. *To conduct
cultural affiliation consultations between Native American tribes and the Flagstaff Area
National Monuments.* \$17,999.
- 2004 National Park Service, Petrified Forest NP. Ostergren D.M. *Facilitate two memoranda of
agreement for inadvertent discovery of human remains between Petrified Forest National
Park and affiliated tribes.* \$6536.

- 2004 Prescott National Forest, Schlinger, C. & D.M. Ostergren. PL 106-393 Forest Project Funding for Verde Watershed Research and Education Program 2004 and 2005 Field Schools. \$15,000.
- 2004 Merriam -Powell Center for Environmental Research, Integrative Environmental Research Program. *A Comparison of Tribal Participation in Collaborative Watershed Planning Groups in the Southwest and Pacific Northwest United States*. \$10,000.
- 2004 US Bureau of Reclamation, USDA Prescott National Forest, Yavapai County, SRP, APS, Yavapai-Apache Nation, SAHRA Schlinger, C. & D.M. Ostergren. Verde Watershed Research and Education Program Field K-12 School. 3 day field school for Verde Watershed educators., \$23,000.
- 2004 Northern Arizona University Intramural Faculty grant program. Ostergren D.M. *Social justice and natural resources within the US National Park Service: a case study of Canyon de Chelly National Monument*. \$4500.
- 2003 Consortium for International Protected Area Management (CIPAM)–US Forest Service, University of Idaho, University of Montana, Colorado State University. Ostergren D. & Hollenhorst S. *Development of a Protected Area Training Program in the Russian Federation*. Funding provided for year one of a three year program. \$21,102
- 2003 World Conservation Union (IUCN), Northern Arizona University Office of the Provost, Dean of Social & Behavioral Sciences, Dean of Arts & Sciences, Office of International Studies. Ostergren D. M. *Support to organize 3-day workshop “Building Political Support” at the Vth World Parks Congress, South Africa Sept 8-17th, 2003*. \$3,000.
- 2003 Bureau of Reclamation, Salt River Project, USFS Prescott National Forest, Northern Arizona Council of Governments, Bureau of Land Management, Arizona Hydrological Society, US Geological Survey, Central Arizona Project. Co-PIs Schlinger, C., N. Cobb & D. M. Ostergren. *The 2003 Southwest Drought Summit, May 12-13, 2003*. DuBois Center Northern Arizona University, Flagstaff AZ. Total from all sources, \$17,000.
- 2002 Bureau of Reclamation, USDA Forest Service (Coconino NF & Prescott NF), City of Sedona, Salt River Project, Yavapai County, City of Payson, Arizona Department of Water Resources, Arizona Department of Environmental Quality. Co-PIs Schlinger, C. & D. M. Ostergren. *Field School for K-12 teachers in the Verde River Watershed*. The Verde Watershed Research and Education Program May 18-19, 2002. Total \$9,500.
- 2002 National Science Foundation funded Science Education Network for Civic Engagement and Responsibility (SENCER) Project. Rowland, P., D. Anderson, M. Ort, D. Ostergren, J. Gess-Newsome. *Improving the curriculum in the introductory Environmental Sciences courses to solidify the basic understanding of the scientific method*. \$3,500.
- 2002 National Park Service. Ostergren, D. M. & Ron Heibert NPS. *Traditional use of natural resources by Native Americans on National Park Service land*. \$ 20,413.

- 2001 Ecological Restoration Institute. *Public opinion, knowledge and support of forest restoration in Ponderosa Pine forest ecosystems*. Deliverables include 1) report on past and current research and 2) implementation of public survey. 1/02-12/03, \$41,110.
- 2001 National Park Service PI Dr. Fred Solop. Co-PIs Hagen K. Ostergren D. M. *Four technical reports on the National Survey of the American Public*. \$20,000.
- 2001 Merriam-Powell Center for Environmental Research, 2001. Graduate student funding for to investigate the implementation of the 1964 Wilderness Act on federal lands throughout the Colorado Plateau, \$7,000.
- 2001 Northern Arizona University Organized Research. Implementation of the 1964 Wilderness Act in the United States National Park Service. \$14,500.
- 2000 Northern Arizona University Organized Research. Protected area management in Estonia, Latvia and Lithuania ten years after the fall of the Soviet Union. \$8000
- 1999 West Virginia Department of Transportation. Conduct mail and internet survey of motorized and non-motorized trails users in West Virginia. \$14,500.
- 1999 Division of Forestry, West Virginia University. Travel support for conference presentation, World Wilderness Congress. \$2600.
- 1994 International Programs, West Virginia University. International research support, International field course development and implementation. 1994-1998, \$ 15,000.

ORGANIZER or CHAIR of PROFESSIONAL MEETINGS and CONFERENCES

- Ostergren, D. M. 2008. International Symposium on Developing Protected Area Management Plans. February 24-28th, Elizovo, Russian Federation.
- Hojinowski, C., Ostergren, D. M., N. V. Maleshin, L. Peterson & 2007. Organized and facilitated Kamchatka International Seminar on Problems in Managing Specially Protected Natural Areas (training workshop and conference). Cooperators included the Consortium of International Protected Area Management, USDA Forest Service International Program, Wild Salmon Center and the United Nations Development Programme Russia. Location Petropavlovsk, Kamchatka, Russian Federation, February 4-8, 2007.
- Ostergren, D. M. 2005. Facilitator for interagency workshop: *Restoration of ponderosa pine ecosystems in BLM and USFS Wilderness Areas, and NPS backcountry: the 1964 Wilderness Act and the paradox of maximizing both natural and untrammeled conditions.* The 8th Biennial Conference of Research on the Colorado Plateau, Client's Day Nov. 7th, 2005, 2-5 PM, duBois Conference Center, NAU, Flagstaff, Arizona.
- Ostergren, D. 2005. Session chair for The Politics of Park Making: International Examples and Experience. The 2005 George Wright Society Biennial Conference. March 14-18, 2005, Philadelphia PA.
- 2003 Vth World Parks Congress: Benefits Beyond Boundaries. Facilitated three-day workshop stream "Building Political Support." Durban, South Africa Sept 8-17th, 2003.
- 2003 Southwest Drought Summit, 2003. Organizers; Cobb, N., C. Schlinger, D. M. Ostergren, G. Garfin, Lisa Taylor, & D. Fenn. For summary see AZ Governor's Drought Task Force site: <http://www.water.az.gov/gdtf/>.
- 2004 Verde Watershed Research and Education Field School. Three day field School for K-12 Teachers in Verde Watershed, Focus on Fossil Creek. April 2-4, 2005.
- 2002 Verde Watershed Research and Education Field School. Two day field School for K-12 Teachers in Verde Watershed. Focus on water resources.

PROFESSIONAL CONFERENCE PRESENTATIONS

- Ostergren D. M. 2008. *The CPCEU and Collaborative Research.* 2008 Intermountain Region Resource Stewardship Conference, Tucson, Arizona May 19 - 23, 2008.
- Overbaugh, B., A.E. Watson, D.M. Ostergren, P.J. Fix, L.E. Kruger, & D.W. McCollum 2008. *Sustainable Ecotourism in Kamchatka, Russia.* Presented at the Annual Meeting of the Association of American Geographers, Boston, MA, April 16, 2008.

- Ostergren, D. M. 2007. *The rules they are a changin': Russian protected area institutions adapt to regional strategies*. Prepared for the 2007 George Wright Society Conference on Parks, Protected Areas, and Cultural Sites April 17-20, 2007, St. Paul Minnesota.
- Ostergren, D. M. 2007. *Untrammeling Fire: Wilderness Restoration, Fire, Advocacy Coalitions and the Futur*. Prepared for the 2007 George Wright Society Conference on Parks, Protected Areas, and Cultural Sites April 17-20, 2007, St. Paul Minnesota.
- Ostergren, D.M. 2007. Вовлечение заинтересованных сторон с целью охраны природных ресурсов: препятствия и стратегии. Stakeholder Involvement to Protect Natural Resources: Challenges and Strategies. Prepared for *Kamchatka International Seminar on Problems in Managing Specially Protected Natural Areas*. Petropavlovsk, Kamchatka, Russian Federation, February 4-8, 2007
- Ostergren, D. M. 2006. *The practice and politics of restoring fire into wilderness areas and national parks: lessons learned and future challenges*. Third Fire Ecology and Management Congress. Nov 13-17, 2006. San Diego, CA.
- Ostergren, D. M. 2006. *Wilderness Restoration: Challenges to making policy that maximizes both untrammled and natural conditions*. Conserving and Restoring Frequent Fire Landscapes of the West: Linking Science, Collaboration and Practice. October 24-26, 2006. Northern Arizona University, Flagstaff, AZ.
- Ostergren, D. M. & Megan Triplett 2006. *Wilderness areas and fire restoration: federal agency interpretations and challenges*. 33rd Annual Natural Areas Conference. September 20-23, 2006. Northern Arizona University, Flagstaff, Arizona.
- Ostergren, D.M. 2006. *Restoration in wilderness areas and national parks: advocacy coalitions and the evolution of wilderness fire policy across three decades*. 12th Int'l Symposium for Society & Resources Management. June 3-8, 2006. Vancouver, British Columbia.
- Ostergren, D. M. & A. E. Cronin A. E. 2005. *Recommendations for Involving Tribes in Collaborative Watershed Management*. Community-Based Collaboratives Research Consortium (CBCRC) 5th National Conference Nov. 17-19, 2005, Sedona, Arizona.
- Ostergren, D. M. 2005. *Wilderness restoration: legal and political considerations for wilderness areas and national park service lands in northern Arizona*. The 8th Biennial Conference of Research on the Colorado Plateau, November 7-11, 2005, duBois Conference Center, Northern Arizona University, Flagstaff, Arizona.
- Ruther, E. J., D. M. Ostergren & D. J. Mattson 2005. *Human dimensions of mountain lion management: value orientations and policy preferences of northern Arizona residents*. The 8th Biennial Conference of Research on the Colorado Plateau, November 7-11, 2005, duBois Conference Center, Northern Arizona University, Flagstaff, Arizona.

- Ostergren, D. M. & S. J. Hollenhorst, 2005. Russian protected areas network: institutional reaction and change in times of unequalled crisis. The 8th World Wilderness Congress, Sept 28- Oct 6, 2005, Anchorage Alaska.
- Cronin, A. E. & D. M. Ostergren 2005. *Native American Tribal Natural Resource Management: Science, Capacity, and Collaboration*. International Symposium for Society and Resources Management. Ostersund, Sweden. June 16-19, 2005.
- Cronin, A. E. & D.M. Ostergren 2005. *Native American Tribal Participation in Collaborative Watershed Management: A Comparison Between the Southwest and Pacific Northwest, United States*. Western Social Science Association Albuquerque, NM April 13-16 2005.
- Ostergren, D. 2005. Russian zapovednik and national park management: homeless in Moscow. Presentation prepared for The 2005 George Wright Society Biennial Conference. March 14-18, 2005, Philadelphia PA.
- Ostergren, D. 2005. Common grounds common purpose: Native American rights to gather resources and the NPS mission. Presentation prepared for The 2005 George Wright Society Biennial Conference. March 14-18, 2005, Philadelphia PA.
- Ostergren, D.M. 2005. Plenary Speaker: Review of the Verde River Basin Watershed and Presentation of "Findings". Verde Watershed Partnership Workshop, North Central Arizona Regional Watershed Consortium, January 22, 2005, Prescott Arizona.
- Cronin, A. & D. Ostergren 2004. Native American Tribal Participation in Collaborative Watershed Planning: A Comparison Between the Southwest and Pacific Northwest, United States. Present at the 10th Biennial Conference of the Watershed Management Council. Nov. 15-19, 2004 San Diego.
- Anderson, D., M. Ort, D. Ostergren, T. Sisk, K. Anderson, & M. Bowker 2004. San Juan River Field Course at Northern Arizona University. The Geological Society of America, 2004 Denver Annual Meeting (November 7–10, 2004) Denver, Colorado.
- Ostergren, D. 2004. Russian zapovednik policy and practice: turmoil and success in the 21st Century. Presented at The American Association for the Advancement of Slavic Studies National Convention December 4-7, 2004, Boston, MA.
- Anderson, D., M. Ort, D. Ostergren, T. Sisk, K. Anderson, & M. Bowker 2004. San Juan River Field Course at Northern Arizona University. The Geological Society of America, 2004 Denver Annual Meeting (November 7–10, 2004) Denver, Colorado.
- Yan, Baohua, & D.M. Ostergren 2004. Translating Caohai into a National Model for Community-based Natural Reserve Management: Conserving nature and creating jobs in rural China. Conference Proceedings; *Setting the Agenda for China's Environmental Reform: Past, Present and Future Trends*. Beijing, China. June 5-6, 2004.
