

DUE BEFORE LAST DAY OF CLASS ...or earlier!

Below, you will find listed some films listed under the titles of the last two sections of our course. The films are available in Cline, BUT ARE NOT AVAILABLE AS STREAMING MEDIA FILES. Watch the films for ONE of the sections and write a five- page essay demonstrating WHAT these films ADD to your understanding of the history of THAT PERIOD OF COLONIALISM/NATIONALISM in India. Your essay must take into *the readings and the films* already listed in the syllabus, and go substantially beyond what has already been covered in the class. For this assignment you need to demonstrate what the films you choose to view ADD to your understanding of the *history* of that period. Please make sure you ONLY CHOOSE FILMS FROM ONE of the sections listed below.

Do ask for clarifications if you are not certain as to what is required of you for this assignment.

Section III Era of Mass Nationalism

Making of the Mahatma DVD 1358

Sardar: The Iron Man of India DVD 1867

Section IV Partition

Division of Hearts DVD 2330

Pinjar: Beyond Boundaries DVD 1297

Guidelines

Your essay needs to be TYPED, double spaced, with a font no larger than 12 points and using one inch margins all around.

All pages must be numbered. The papers should be free of grammatical and typographical errors. Proofread carefully. POINTS *WILL* be deducted for stylistic and writing errors.

The essay MUST refer to the film and appropriate class readings in making its case. Any essays that do NOT show evidence of familiarity with all sets of sources *WILL* be penalized.

You MUST provide SPECIFIC references to the readings, which should reference page numbers of the texts you cite. Not doing so could leave you open to charges of PLAGIARISM. Though you may choose to use any citation style you wish, your usage must be consistent. Those using in- text (MLA style) citations MUST provide a bibliography/reference list at the end of the essay which does NOT count toward the required pages for the essay. Merely mentioning the book/essay you cite in your prose is not considered to be an adequate citation. Cline library has citation styles listed at a window on the right of the page <http://library.nau.edu/research.html>

None of the essays REQUIRE extra research. If you do read outside the prescribed readings, please do NOT use Encyclopedias, fact-books, almanacs etc. for information to write the paper. I also DO NOT want you to cite WEB SITES as sources of information. Feel free to use any books by professional historians or social scientists, and articles in scholarly journals.
